Curacao

8 Day Southern Caribbean

Lying some 40 miles off Venezuela, Curaçao boasts a landscape that is dramatic, stark, and volcanic. In contrast, Willemstad, the capital, seems a cozy Dutch haven with its neat row houses. And while those gabled and tiled roofs illustrate the island's heritage, the bright, pastel houses speak pure Caribbean. Islanders themselves reflect this same colorful contrast: over 50 different nationalities have come to call Curaçao their home. Dolphin Encounter or Dolphin swim just two of the great shore excursions offered to highlight your Curacao visit

ARUBA is a contrast: the island's arid interior is dotted with cactus and windswept divi-divi trees while secluded coves and sandy beaches make up its coast. Aruba's long and colorful heritage is reflected in its dialect. Called Papiamentu, it is a tongue that combines elements of Spanish, French, Portuguese, Dutch, African and English. Sights, sounds & scenes of Aruba: See the Natural Bridge, the Bushiribana Gold Mills Ruins, which are a shining example of Aruba's 19th-century history, tranquil Alto Vista Chapel, and the picture-post card icon California Lighthouse.

BONAIRE is located off the coast of Venezuela and has for years been known as a world-class diving and snorkeling destination. Diving and snorkeling are still the predominant activities, but today there is also a variety of other activities to enjoy such as kayaking, bird watching, and other eco-tours. Because of the hot and arid weather, Bonaire has been a major producer of sea salt. Do not miss the "whitemountains" waiting to be shipped out and the salt flats where the salt is evaporated from the Caribbean Sea, home to another icon of Bonaire - the pink flamingo. Explore the Dutch architecture of the capital Kralendijk, enjoy the pristine coral reefs, or tour the scenic countryside.
